If you shop online with Amazon.com, please consider helping us out by using the Amazon Smile program at smile.amazon.com. This is at no cost to you and does not affect the prices of the merchandise.

How does AmazonSmile work?

When first visiting AmazonSmile, customers are prompted to select a charitable organization from over one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization.
